ROAD CLOSURE **MURPHY STREET AT LINDSEY STREET INTERSECTION**

McKee Utility Contractors, under contract with the Norman Utilities Authority, are currently installing a new 24-inch waterline along Lindsey Street from 24th Avenue SW to Berry Road. This work will require temporarily closing Murphy Street at the intersection of Murphy Street and Lindsey Avenue.

Weather permitting, work will begin Wednesday afternoon, April 15, 2015, and should be complete with Murphy Street re-opened by end of day Friday, April 17, 2015. Warning and detour signs will be placed to assist the motoring public. Drivers are urged to use alternate routes via Briggs Street and 24th Avenue SW.

Other street closures will be issued as required during project construction. Weather permitting, the Lindsey Street Waterline Improvements should be complete by September 2015.

Contact Mark Daniels, City of Norman Utilities Engineer, at (405) 366-5443 or mark.daniels@normanok.gov with questions.
